This week we pray...

*for all involved with farming and food production across the island as the agricultural shows begin.

*for the many activities taking place around the island bringing people together to share our heritage, culture and natural beauty. We pray for all involved in the Manx Heritage Transport Festival, the Gran Fondo cycling and all other events.

* that as the academic year has now ended all involved in education will find rest and recuperation of body, mind and spirit over the summer.

*for those people who find the 'holiday season' a difficult time of year for whatever reason.

*for all who live in the fear and turmoil of war: the innocent victims, whose lives, hopes and dreams are shattered; those whose homes are destroyed, who have lost their livelihoods, who are injured or are grieving the loss of a loved one. We pray for the people of Gaza, Ukraine, Sudan, Rwanda, Nigeria, Syria and Lebanon.

*for those we know suffering illness or bereavement, loneliness or anxiety, financial concerns or relationship worries.
