This week we pray...

*for all people who tend and care for our environment and for the work of conservation charities such as the Manx Wildlife Trust.

*in thanksgiving for our places of worship as Old St Runicus marks 65 years since its reopening. May God inspire us to cherish places of spiritual heritage and support the efforts of those people who maintain them as beacons of God's presence.

*for the Mothers' Union, giving thanks for the Founders Day and the visit of **Ish Lennox**, *Faith and Church Relationships Manager*, from Mary Sumner House, London. We ask God to bless and direct the mission of all branches and members, remembering the Marown MU particularly.

*God's blessing upon visitors to our island.

*for our farming community in what has been a difficult year.

*for communities across Britian still experiencing violence this week following the terrible events in Southport. We continue to pray for children and families involved in that incident. We thank God for the peace and security we enjoy in our nation and for all the blessings of our lives here.

*for those we know suffering illness or bereavement, loneliness or anxiety, financial concerns or relationship worries. We also hold before God family & friends in hospital or hospice, asking God to be particularly close to those people facing the end of life.
