This week we pray...

*for God's blessing to upon Ian Quayle and Revd Joanna Fisher as they are ordained as deacon and priest respectively in the cathedral this weekend.

*for the work of The Leprosy Mission; prosper their work to cure and treat leprosy, to challenge discrimination that sufferers face and to help those with the disease to rebuild their lives. We pray for the hospitals, medical centres and care homes run by TLM and for those helping to raise vital funds to continue their work.

***that** during Fairtrade Fortnight we give thanks for all the churches, chapels, schools, businesses and organisations that work collectively to help bring justice to the poor by opting to buy fairly traded produce. And we pray for the ongoing work of the One World Centre who continue to work to uphold our Fairtrade Island status, raising awareness of trade injustice and how, through our lifestyle choices, we can be the change we want to see in the world.

*for peace in places of conflict, mindful of the Ukraine-Russia war and the situation between Palestinians and Israel. We pray for all nations experiencing war and civil unrest as well as for places of natural disaster.

*for those we know suffering illness or bereavement, loneliness or anxiety, financial concerns or relationship worries. RIP Barbara Gibbon & 'Butch' Quayle
