This week we pray...

*that during the season of Harvest we remember with gratitude all those who have been good stewards of this Island's rich environmental heritage, with farming traditions and practices sustainable for the land and wildlife. We pray for our farmers and all who work the land along with all associated industries and organisations.

*for all involved in prison ministry and for inmates and staff of prisons during this Prisons Week. We pray for those in IOM Prison Jurby, especially for prisoners and their families and those in the Probation Service.

*for all places of war and unrest, particularly that between Israel and Palestinians as this conflict continues to spread. We continue to pray for a ceasefire and long-term peace.

*for those we know suffering illness or bereavement, loneliness or anxiety, financial concerns or relationship worries.
