This week we pray...

*that as we approach the season of Harvest we remember with gratitude all those who have been good stewards of this Island's rich environmental heritage, with farming traditions and practices sustainable for the land and wildlife. We pray for those with responsibility in governing, monitoring and safeguarding the diversity of habitat and species, whilst balancing the need for increased housing and development.

*for all places of conflict as Monday, Oct 7th, marks the anniversary of the Hamas attack in Israel. We hold before God all killed, wounded, traumatised or taken hostage that day and for everyone caught up in the on-going and escalating situation since.

*for those we know suffering illness or bereavement, loneliness or anxiety, financial concerns or relationship worries.
