This week we pray...

*for our Armed Forces past and present as we remember all who have lost their lives in times of war. We pray especially for those from our parish and their families who continue to live with their loss.

*for those caught up in violence and conflict today around the world as we pray for lasting peace and justice for all people.

*for Bishop Trisha Hillas as she is enthroned as our bishop in the cathedral on 16th November. We pray for her ministry amongst us and for the Holy Spirit to inspire us as we move into this new episcopate.

*that the Open the Book assemblies in our Primary Schools this week help pupils and staff to know and understand our faith and the Bible.

*God's blessing upon our churchwardens and PCC members as they meet this week. May the Holy Spirit encourage and guide them in their roles for the furtherance of God's kingdom across our villages.

*that we will continue to strive towards the 2030 Net Zero Carbon target and our Eco Church aims as a parish. We pray for inspiration and vision to make the changes that are realistically within our abilities at this time.

*that as the weather gets colder and the days darker those who are most vulnerable in body, mind and spirit to these seasonal changes will find the resources and comfort that they need. Help us Lord God to support them.

*for God's healing grace to be upon all who are unwell, that they may find hope and peace. We pray for those across the parish that are ill at home, in hospital or in the hospice; for our emergency services and local health care providers.

*for all who are bereaved and give thanks for those whom we love but see no more in this earthly life. RIP Bhurita Jones
