This week we pray...

* for those who suffer from fuel poverty and for those who are living rough on the Island during wintry weather: we pray for their support and provision.

*for Bishop Trisha Hillas and her husband Andrew as they settle into their new life and roles here. We pray for Bishop Trisha's ministry amongst us and for the Holy Spirit to inspire us as we move into this new episcopate.

*that everyone will feel safe in our churches and in our fellowships as the effects of the Makin Report high-light the place of safe-guarding in our communal life together. We pray for victims and survivors of abuse wherever it has occurred. Help us Lord to be vigilant and compassionate towards the vulnerable amongst us.

*we pray for closer relationships between church and our local communities; that God will show us ways of coming together for the benefit and flourishing of all people across the parish.

*for God's healing grace to be upon all who are unwell in body, mind or spirit, those who are fearful, lonely or despairing. We pray for those known to us across the parish that are ill at home, in hospital or in the hospice; for our emergency services and local health care providers.

*that as we celebrate Christ the King this Sunday our Lord Jesus Christ will comfort the bereaved and lead into eternal life those who have died. RIP Clifford 'Cliffie' Costain
