This week we pray...

*At this time of All Souls and All Saints, with love and gratitude, for all the faithfully departed known to us, giving thanks for their lives and reflecting on all they have meant to us, and how they enriched the lives of those around them. And on All Saints Day we give thanks for the lives of the Saints who have set us the example of a lifetime of discipleship, that we may follow their footsteps, seeking Gods' will in all things, and loving our neighbour as we love ourselves.

*for the Scripture Union Ministries Trust Team as they bring faith within reach of youngsters across our island.

*for the many places of war and disaster, praying for peace and reconciliation as we look towards Remembrance Sunday. We continue to pray for the situations between Russia and Ukraine, Israel and the Palestinians and for the many other troubled places in the world. We pray for relief in places of natural disaster, thinking especially of those affected by the flooding in Spain.

*for God's healing grace to be upon all who are unwell, that they may find hope and peace.

*for all who are bereaved and give thanks for those whom we love but see no more in this earthly life. RIP Bhurita Jones whose funeral will be 12noon Friday 8th November at St Luke's Church
