\*From Dr Peter Litman at the Cathedral:

I might be totally mad, but to raise necessary funds for the Cathedral's Choir, and to alleviate my apathetic exercise regime, I have undertaken to walk the Triskelion Way (36 miles) across 4 days in November. You can sponsor my efforts by going to the following crowdfunding link:

### This week we pray for...

\*for the Bishop Tricia as she resumes her ministry on Monday 13<sup>th</sup> October following compassionate leave; we ask God to strengthen her, to comfort her and to bless her.

\*God's generous and abundant provision this season of harvest. We pray for our farmers, fishermen and food producers; those caring for animals; for all involved in food distribution; for our shopkeepers and market stall holders. We pray that the Holy Spirit will guide us to be better stewards of the natural environment.

\*those people across the world affected by natural disasters and war. We pray especially for the ceasefire between Israel and Hamas to hold and for a new era of peace.

\*for all bereaved families and those people feeling the darkness of death. RIP Marc Lowey & Revd Canon Brian Kelly
