### During this week we pray...

\*that as we mark Plough Sunday at Marown Church, God will bless all who work and tend the land and that we consumers will be more engaged with how our food is produced and understanding of the struggles local farmers face.

\*for all baptised into the faith whatever their ages; that we may all seek to live our baptism promises by our thoughts, words and deeds, as we remember Christ's baptism.

\*for all people affected by the wintry weather; especially we pray for the homeless and those coping with fuel poverty; we pray for the safety of all who work outdoors; our emergency, infrastructure and transport services.

\*relief for those suffering physical, mental or emotional anguish; those at home, in hospital, hospice or care facilities; for people of all ages who find daily life a struggle for whatever reason and for the bereaved.
