Across the diocese....

*please be aware and act cautiously as scam emails pretending to be from clergy (and even our Bishop!) are still happening. Always check the email address and language used before making any response. If in doubt report suspicious emails in the Isle of Man by forwarding them to the [Suspicious Email Reporting Service \(SERS\)](mailto:sers@ocsia.im) at sers@ocsia.im. This enables the Office of Cyber

Security & Information Assurance (OCSIA) to take down malicious links. Do not click links or reply; simply forward the email, then delete it.

During this week we pray...

*with thanksgiving for the new life and new hope given to us through the resurrection of our Lord Jesus Christ. We give thanks for all who have not seen our Saviour but who believe in him, those of past generations and ourselves today.

*that as a redeemed people we will proclaim the Good News and lead people out of darkness and into the light of Christ. We pray for all ministers as they guide the faithful; and for parish and church fellowships that we will embrace gospel teachings so they are reflected in our lives.

*for all people on holiday either at home or away, that they will find rest and relaxation. We pray too for people and activities that may be affected by the storms that are forecast. We remember all those who work in difficult and unpleasant conditions to keep us safe and supplied; those who work outside and our emergency and essential services.

*for peace throughout the world; for a desire for cooperation, mutual respect and reconciliation amongst world leaders and all who have power and influence. We pray for the Holy Land, for the whole area of the Middle East and for all areas where innocent people suffer.

We also hold before God those who govern here in the Isle of Man, all who make and uphold the law and give thanks that we live in a place of security and peace.

*for those weighed down by the cares of earthly life; health worries, job insecurity, financial concerns, relationship difficulties and the many other trials that can consume us.

We pray for those who are ill, those facing the frailty of age, people coping with life changing/ life limiting or life-threatening conditions and for those who stand alongside them for support.

*for those whom we love but who have departed this earthly life; may they rest in peace and rise in glory according to the promises of Jesus Christ our merciful redeemer and judge.
