### During this week we pray...

\*with rejoicing and thanksgiving for the resurrection of our Lord and Saviour Jesus Christ; for His victory over sin and death which grants us forgiveness and eternal life.

\*that as a redeemed people we will proclaim the Good News and lead people out of darkness and into the light of Christ. We pray for our bishops, priests and lay ministers as they guide the faithful; and for parish and church fellowships that we will embrace gospel teachings so they are reflected in our lives.

\*for all people on holiday either at home or away. That they will find rest and relaxation.

\*for people and activities that may be affected by the storms that are forecast. We remember all those who work in difficult and unpleasant conditions to keep us safe and supplied; those who work outside and our emergency and essential services.

\*for peace throughout the world; for a desire for cooperation, mutual respect and reconciliation amongst world leaders and all who have power and influence. We pray for those who govern here in the Isle of Man, for all who make and uphold the law and give thanks that we live in a place of security and peace.

\*for the Holy Land, for the whole area of the Middle East and for all areas where innocent people suffer.

\*for those weighed down by the cares of earthly life; health worries, job insecurity, financial concerns, relationship difficulties and the many other trials that can consume us.

We pray for those who are ill, those facing the frailty of age, people coping with life changing/ life limiting or life-threatening conditions and for those who stand alongside them for support.

\*that as we celebrate Easter we commend to you those whom we love but who have departed this earthly life; may they rest in peace and rise in glory according to the promises of Jesus Christ our merciful redeemer and judge.

RIP Christopher Allix whose funeral was during Holy Week.
