

Sustainable Flower Arrangements workshop

**26th September 2026 10am-1.30pm
(Royal Chapel) St John's hall.**

Join us to discover how to create beautiful displays using traditional methods, without foam.

Inspired by this *Season of Creation* and the *General Synod's advisory motion* encouraging churches to use locally sourced, seasonal, and biodegradable flowers and foliage—eliminating single-use floral foam. Perfect for beginners, experienced arrangers, and the simply curious alike.

Places Limited!
