During this week we pray...

*with thanksgiving for the forgiveness of our sins and our new life in Jesus Christ our Saviour. May we be people of forgiveness and compassion, of justice and grace.

*for candidates standing for the House of Keys election in September; for well thought out and deliverable policies and for careful reflection by the electorate ahead of polling day on 24th September. We also pray for the two candidates standing for election in October to the Marown Commissioners and give thanks for their willingness to serve our community.

*that there will be respect and dignity across our island community for all residents, workers and visitors regardless of ethnicity, religion and culture; that everyone in our island will feel safe and secure here and that prejudice and discrimination will be challenged.

*as global tensions rise again, for peace throughout the world; for a desire for cooperation, mutual respect and reconciliation amongst world leaders and all who have power and influence: for the people of Russia and Ukraine, for all who live in the Middle East and for all who have been injured, dispossessed or traumatised. We continue to pray for the many people across the world suffering as the result of natural disasters, that relief and aid will reach those whose lives have been devastated.

*for our loved ones, neighbours and for our island; for the environment and greater care of our flora and fauna; those weighed down by the cares of earthly life; for those ill at home or in hospital; for the bereaved and for those whom we love but who have departed this earthly life. RIP Val Garrett.
