Across the Diocese

***What is JC33?** It is a collaborative inter-church mission initiative on the Isle of Man designed to follow the 2,000th anniversary timeline of Jesus' public ministry in real time. It launches at Christmas 2030 and runs through to Pentecost 2033. It supported by Anglican, Baptist, Catholic,

Elim, Methodist, Salvation Army, United Reformed Church (URC), and independent churches. It will feature 5-6 main central gatherings per year alongside locally planned events. The goal includes community outreach and collaborative prayer, concluding with a weekend conference at Pentecost 2033. **Revd Alex Brown (Anglican Pioneer Minister) is leading a session this coming Friday 16th October 7.30pm at the Cathedral, come along and find out more!**

***40 days of Prayer continued 10th-18th October.** This is a week of prayer focused upon our island nation. Leaflets are in our churches with details of prayer meetings and subjects for prayer. If you can't attend a prayer meeting then do pick up a leaflet and pray at home for our island community.

***Thursday 29th-Saturday 31st October** the annual Fair-Trade sale will be held at the Cooil Methodist Chapel Hall, 10am-6.30pm with simple lunches served 12-2pm daily. Please see poster for details.

During this week we pray...

***for our newly elected Marown Commissioner Amanda Collister and for all our local representatives as they serve our community.**

***for our farmers, fishermen and all involved in food production across the island as we celebrate God's bountiful goodness this harvest time. We ask God to bless all who strive to preserve our natural environment, care for the land and sea and those who help us tread more lightly upon the earth.**

***for our loved ones, neighbours and for our island; for the environment and greater care of our flora and fauna; those weighed down by the cares of earthly life; for those ill at home or in hospital; for the bereaved and for those whom we love but who have departed this earthly life.**
