## Across the Diocese

**\*JC33 & The Logos Visit:** The Ship, "Logos Hope" was planned to arrive on the Island on Tues 10th Nov with a JC33 all-island prayer meeting planned on board. The ship is delayed, but it feels right to open that initial evening up to all churches as a prayer meeting to promote unity, hope and

faith and to pray for our nation. Please arrive at 7.30pm in the on-board theatre of the ship. The crew will lead sung worship and then simply pray, which will be led by four people with requests to pray for unity, for children and youth across the Island, how to pray, and for government and finally on how to pray for that mission opportunity; concluding with prayer for the crew of the ship and their time on the Island. We will finish by c.8.30pm after which there is time to mix and chat and to look around the ship. If you are at all interested, please fill in this google form.

### During this week we pray...

\*for all those disciples of Jesus who have handed down the faith over the generations to us; for the saints we remember this season by name and those whose names are known now only to God; we give thanks for their lives and witness.

\*for our loved ones, neighbours and for our island; for the environment and greater care of our flora and fauna; those weighed down by the cares of earthly life; for those ill at home or in hospital

\*for the bereaved and for those whom we love but who have departed this earthly life. We continue to commend them to God’s gracious care and humbly pray for God’s comfort to be upon the grieving.
